## Marc Singer and David Gorvitz Represent OLSS at Washington Institute Gala

Shareholders Marc Singer and David Gorvitz recently represented OLSS at the [Washington Institute for Near East Policy](#)'s gala at the iconic Plaza Hotel in NYC.

The evening featured Israel's President Isaac Herzog receiving the Scholar-Statesman Award, which honors global leaders advancing peace and security in the Middle East. Past honorees include President Bill Clinton, Prime Minister Tony Blair, and UAE President Mohamed bin Zayed.

Our long-standing support for the Washington Institute reflects the firm's commitment to promoting peace and democratic principles in the Middle East.
