Attending the Passaic County Bar Association Installation Dinner

Congratulations to the new president, Candice L. Drisgula, and board members of the Passaic County Bar Association.

OLSS's Craig Ollenschleger and Gianna Zapata recently attended the Passaic County Bar Association's installation dinner. Craig has long been an engaged member of the Passaic County community, having served as mayor of Bloomingdale, New Jersey, for two terms.

OLSS is proud to support the local bar associations and communities where our attorneys live and practice.
