Alexander Imel focuses his practice on complex litigation matters, including commercial and business disputes and representation of real estate agents and brokers in disputes over residential and commercial real estate transactions.

With a broad range of litigation experience, Alec has represented businesses and individuals in matters involving contractual disputes, business torts and shareholder disputes. He has also represented real estate agencies, brokers and agents in disputes involving New Jersey, New York and Pennsylvania consumer protection and discrimination statutes as well as state and trade association ethics rules.

Representative Experience

- Represented a real estate broker against a claim of unpaid referral commissions arising out of real estate transactions in a high-priced residential high-rise in Manhattan
- Represented real estate agents and brokers in discrimination claims filed with the New Jersey Division of Civil Rights
- Represented real estate agents and brokers in ethics complaints before local boards of realtors
- Represented a large real estate brokerage against allegations of consumer fraud in relationship to real estate transactions involving its affiliated real estate agents and brokers
- Represented a large document storage provider against breach of contract and related business torts claims
- Represented a co-owner of a closely held family business in dispute with other owners
- Represented a municipality in condemnation proceeding to build affordable housing.
